Cut to

Location press meet

Everybody claps

Officer2, officer karim, police general is

Sitting next to each other.

Reporter asks question to the general

Reporter : Sir !, First of all I appreciate the police
For rescuing the 8year old from the
Kidnappers. Now My question is to the
Police general. Sir this time , you were
Lucky to find the girl's location since it
Was shared by herself. But what if a
Case occurs like where the victim's
Location is unknown, How would you
Work on that ?

Officer Karim : hmm Sorry what? Lucky ? Did you say
That we were lucky ? Our officer took 2
Bullets to save the kid. And you call us
Lucky. Hmm could be coz the officer is
Just injured and not dead.

(Everyone laughed , but I didn't liked us

To be called lucky, after hearing to him,

Maybe what Paul Harvey said about the

Policeman is true ! "A policeman must know everything-and not tell. He must know
where all the sin is and not partake.

A policeman must, from a single strand of hair, be able to describe the crime, the
weapon, and the criminal- and tell you where the criminal is hiding.

But...If he catches the criminal, he's lucky; if he doesn't, he's a dunce. If he gets
promoted, he has political pull; if he doesn't, he's a dullard. The policeman must chase
a bum lead to a dead-end, stake out ten nights to tag one witness who saw it happen
but refused to remember.

The policeman must be a minister, a social worker, a diplomat, a tough guy, and a gentleman.

)

~In karim's voice.

Will end with paul Harvey policeman speech.
